

INSTANT SHADE UMBRELLAS

Liberty

Contemporary, robust and attractive commercial-grade side post umbrella with 360° rotation feature. Ideal for both commercial and residential settings where style, low maintenance and functionality are important and where wind might be an issue.

- Fixed arm for maximum strength and increased wind resistance
- Simple removal of entire canopy structure when not in use
- Light-weight (approx. 33kg) allows for multiple locations and easy storage
- Marine-grade anodised aluminium means no rust, no paint to flake
- Premium acrylic canvas canopy is waterproof, UV-resistant and colour-fast
- Rotates 360° ... follow the sun and cover a large area with only one umbrella!

Available Sizes:

- 3m Square
- 3.5m Octagonal & 4.0m Octagonal

Available Colours:

- Standard colours are Tan / Taupe, Natural / Beige, Chocolate Brown and Slate

- Other colours are available to order

INSTANT SHADE UMBRELLAS

Sola

The Sola

"The most stylish, long-lasting residential side-post umbrella on the market today."

Elegant and technically refined residential side-post umbrella with a sporty, nautical flair. 360° rotation feature and multiple tilt levels make the Sola a wonderful choice for patio, deck, pool, spa and courtyard areas.

- Tilting feature blocks out sun, showers and nosy neighbours
- Folds into a compact vertical format when not in use
- Light-weight (approx. 25kg) allows for multiple locations and easy storage
- Marine-grade anodised aluminium means no rust, no paint to flake
- Premium acrylic canvas canopy is waterproof, UV-resistant and colour-fast

Available Sizes:

- 2.7m Square
- 3.4m Octagonal & 3.8m Octagonal

Available Colours:

- Standard colours are Tan / Taupe, Natural / Beige, Chocolate Brown, and Slate

- Other colours are available to order
