

INSTANT SHADE UMBRELLAS

TULIP

Unique Design Umbrella

Architectural Design Structure

This sophisticated, stunning, German design structure enhances any outdoor setting. With optional lighting available, you can really make this shade solution stand out above the rest. Instant Shade are proud to use only the finest European fabrics on their umbrellas. Nothing on the market comes close to this stunning architectural design. Elegant and sturdy, this classical Tulip patio umbrella is an ideal choice for creating a special and sophisticated setting.

FRAME:

The robust frame structure is made of premium aluminum sections, which are connected to an impressive, heavy duty mast. The clever telescopic tubes enable easy opening and closing, while folding above your furniture to maximise space. The entire frame is extremely robust and powder coated for maximum appearance and durability.

MECHANICS:

- Fully integrated gearbox combined with a German engineered stainless steel spindle
- Removable winder handle acts as an anti-tampering device and enhances security
- Easy operation
- Highest grade stainless steel components

CANOPY:

- Choose from 100% Acrylic Canvas or Polyester
- Both are fade and rot resistant, extremely water repellent
- Velcroes opening in the canopy allows easy cleaning
- Wide range of colours available
- 5 Year Limited Manufacturers warranty on fabric
