

INSTANT SHADE  
UMBRELLAS

## VISTA RANGE

### Cantilever Retractable Static Umbrellas

Wind-rated Skyspan Cantilever Umbrellas are engineered and manufactured in Australia using the best quality materials to give strength, elegance and durability.

Combining the structural grade steel frame with the aluminium arms and aluminium winding mechanism with translucent architectural grade PVDF skin, Skyspan has created a unique umbrella that is suitable for the harshest of climates.

Our Cantilever Umbrella range is wind rated by an engineer to 120 kph (W33).

SIMPLE    INNOVATIVE    AFFORDABLE

## SPECIAL FEATURES

The special features of the Skyspan Cantilever Umbrella range are as follows:

Low maintenance, heat reflective, UV treated, fully welded membrane.

Stainless steel edge cable for even tension of roof material.

Mast and cantilever arm are structural grade steel and powdercoated using the TripleX™ System.

Arms and winding mechanism are aluminium.

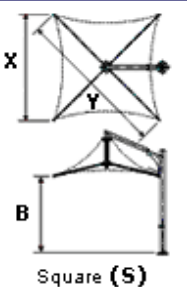

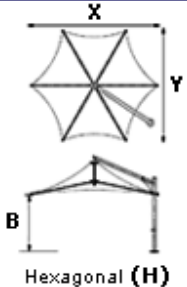

Retractable winding mechanism allowing for the arms to collapse in extreme weather.

Optional internal lighting and clear drop curtains.

5 year warranty on the frame.

2 year warranty on the canopy.

360 degree swivel base available.
