Tuesday 22nd July, 2025

To whom it may concern,

On behalf of the staff, children, and families at Waverley Meadows Pre School, I would like to express our heartfelt thanks to **Instant Shade Umbrellas** for their outstanding support, service, and generosity.

Our preschool has proudly served the Wheelers Hill community for over 40 years, providing a safe and nurturing environment where children can learn, play, and grow. As a not-for-profit organisation, we rely on the kindness and support of local businesses to help us improve our facilities and programs.

We have been using Instant Shade umbrellas in our outdoor area and have found them to be durable, reliable, and perfect for providing shade during outdoor activities. Recently, when we needed to expand our shade coverage to accommodate our full group of 30 children and educators during shared meals and activities like Kinder Café, we were met with warmth, professionalism, and a genuine willingness to help.

Michael Wloszczak, the Director, worked closely with us to provide a solution that met our needs without placing extra financial burden on our small community-run preschool.

Their commitment to quality and service is evident at every step—from product design and installation to customer care. Communication throughout the ordering and booking process was excellent. On the day of installation, despite rainy and windy weather making the task more challenging than initially expected, the two installers arrived friendly, helpful, and determined to complete the job with a smile. Their professionalism and positive attitude made the whole experience smooth and hassle-free, showing true dedication to customer care.

We wholeheartedly recommend Instant Shade Umbrellas to both residential and commercial customers seeking reliable, stylish, and durable outdoor shade solutions. With their thoughtful approach and strong community values, they are truly a standout in their field.

Warm regards,

**Kasia Warykowska**
